**Solicitation of Nominations for Appointment to the Healthcare
Infection Control Practices Advisory Committee**

AGENCY: Centers for Disease Control and Prevention (CDC),
Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC), within the Department of Health and Human Services (HHS), is seeking nominations for membership on the Healthcare Infection Control Practices Advisory Committee (HICPAC). The HICPAC consists of 14 experts in fields including but not limited to, infectious diseases, infection prevention, healthcare epidemiology, nursing, clinical microbiology, surgery, hospitalist medicine, internal medicine, epidemiology, health policy, health services research, public health, and related medical fields.

DATES: Nominations for membership on the HICPAC must be received no later than September 29, 2023. Packages received after this time will not be considered for the current membership cycle.

ADDRESSES: All nominations should be e-mailed to HICPAC, Division of Healthcare Quality Promotion, National Center for Emerging and Zoonotic Infectious Diseases, CDC, 1600 Clifton Road, NE, Mailstop H16-3, Atlanta, Georgia 30329, emailed (recommended) to hicpac@cdc.gov, or faxed to (404) 639-4043.

FOR FURTHER INFORMATION CONTACT: Sydnee Byrd, MPA, Healthcare Infection Control Practices Advisory Committee, Division of Healthcare Quality Promotion, NCEZID, Centers for Disease Control and Prevention, 1600 Clifton Road, NE, Mailstop H16-3, Atlanta, Georgia 30329-4027. Telephone (404) 718-8039; Email: hicpac@cdc.gov.

SUPPLEMENTARY INFORMATION: The Healthcare Infection Control Practices Advisory Committee shall provide advice and guidance to the Secretary, Department of Health and Human Services (HHS); the Director, Centers for Disease Control and Prevention (CDC); the Director, National Center for Emerging and Zoonotic Infectious Diseases (NCEZID), CDC; and the Director, Division of Healthcare Quality Promotion (DHQP), NCEZID, CDC; and the Director, Division of Healthcare Quality Promotion (DHQP), NCEZID, CDC, regarding the practice of infection control and

strategies for surveillance, prevention, and control of healthcare-associated infections antimicrobial resistance and related events in settings where healthcare is provided, including hospitals, outpatient settings, long-term care facilities, and home health agencies.

Nominations are being sought for individuals who have expertise and qualifications necessary to contribute to the accomplishments of the committee's objectives. Nominees will be selected based on expertise in the fields of infectious diseases, infection prevention, healthcare epidemiology, nursing, environmental and clinical microbiology, surgery, internal medicine, and public health. Federal employees will not be considered for membership. Members may be invited to serve for four-year terms. Selection of members is based on candidates' qualifications to contribute to the accomplishment of HICPAC objectives.

HHS policy stipulates that committee membership be balanced in terms of points of view represented, and the committee's function. Appointments shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, gender identity, HIV status, disability, and cultural, religious, or socioeconomic status. Nominees must be U.S. citizens and cannot be full-time employees of the U.S. Government. Current participation on federal workgroups or prior experience serving on a federal advisory committee does not disqualify a candidate; however, HHS policy is to avoid

excessive individual service on advisory committees and multiple committee memberships. Committee members are Special Government Employees, requiring the filing of financial disclosure reports at the beginning of and annually during their terms. CDC reviews potential candidates for HICPAC membership each year and provides a slate of nominees for consideration to the Secretary of HHS for final selection. HHS notifies selected candidates of their appointment near the start of the term in July 2023, or as soon as the HHS selection process is completed. Note that the need for different expertise varies from year to year and a candidate who is not selected in one year may be reconsidered in a subsequent year. Candidates should submit the following items:

- Current curriculum vitae, including complete contact information (telephone numbers, mailing address, e-mail address)
- At least one letter of recommendation from person(s) not employed by the U.S. Department of Health and Human Services. (Candidates may submit letter(s) from current HHS employees if they wish, but at least one letter must be submitted by a person not employed by an HHS agency (e.g., CDC, NIH, FDA, etc.).

Nominations may be submitted by the candidate him- or herself, or by the person/organization recommending the candidate.

The Director, Strategic Business Initiatives Unit, Office of the Chief Operating Officer, Centers for Disease Control and

Prevention, has been delegated the authority to sign *Federal Register* notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.
